High School Profile

2011-2012

Southwest Florida Christian Academy was founded in 1994, as a ministry of McGregor Baptist Church, and is a co-educational, college preparatory school enrolling students from kindergarten through grade 12. SFC A is located in Lee County on the southwest coast of Florida. Students travel from the surrounding areas of Cape Coral, North Fort Myers, Port Charlotte, Lehigh Acres, Bonita Springs and Naples.

Faculty: The educators at SFC A must hold a minimum of a Bachelor's Degree in the field they are teaching, as well as professional certification through the Association of Christian Schools International. In addition, many hold state certification. The teaching staff averages thirteen years of educational experience and the standard class size limit is 25.

Curricular Distinctives: Students are provided a college preparatory program supplemented with offerings in a variety of practical and performing arts. The curriculum is selected to equip students to exceed state and national standards. It demands an above average level of analytical reading ability and challenges students at a high cognitive level. A variety of Advanced Placement Courses are offered to students in grades 10 through 12. Additionally, Juniors may dual enroll in one course per semester and Seniors may dual enroll for up to three courses per semester through Florida Gulf Coast University or Edison State College.

Honor Society: SFC A participates in the National Honor Society and National Junior Honor Society to recognize students who excel academically, as well as in the areas of character, service and integrity.

Athletics: The Florida High School Athletic Association is the governing body for student athletes at SFC A.

Student Leadership Academy has been established at Southwest Florida Christian Academy for the purpose of identifying and training the next generation of leaders. Upon completion of the 300 point program, students are issued a Student Leadership Academy Diploma.
