

# 2012-13 Tuition and Fee Schedule

Updated April 2012

**Enrollment fees:** Enrollment fees secure a seat for your student in the upcoming school year.

These fees are based on the date of enrollment (see the table below). Included in annual enrollment fees are such things as textbook rental, consumable curriculum, lab supplies, student insurance, annual standardized testing, and application processing.

**All fees are NON-REFUNDABLE.**

**If notified of a withdrawal after July 1, the first month's tuition is also NON-REFUNDABLE.**

Enrollment Date:	Jan. 5-Jan. 31, 2012	Feb. 1-April 1, 2012	April 2– June 30, 2012	July 1, 2012 and later*

- **All new students** must add \$75.00 for an **application fee**, which is due at the time of enrollment.
- **New FAMILIES** must add \$150.00 per family **endowment fee** which is due at the time of enrollment.

All paperwork and the above fees must be submitted at the same time to complete the application process. The amount of registration fee due will be based upon the receipt date of all paperwork in the SFCFA office as outlined on the Admission Procedures Checklist. Incomplete applications will not be accepted. \*Enrollments received after July 1, 2012, are considered late and may result in a delayed entrance into school.

- **If total tuition is paid in full by cash or check before July 1, there is a 2% discount.**
- **If total annual tuition is paid in full by debit or credit card before July 1, there is a 1.5% discount.**
- **Payments must be brought to the SFCFA office or postmarked by June 30 to receive the discount.**
- **The prepayment discount cannot be used in combination with any other discounts, financial aid, or other scholarships.** A family can only use one type of discount, whichever is greater. For example, if a person receives a 30% pastor's discount, the multi-child discount would not apply. The only exception is that it is possible to get a prepayment discount with a multi-child discount.
