

## 2019-20 Tuition and Fee Schedule

**Enrollment Fee:** The enrollment fee reserves a seat for your student for the upcoming school year. All fees are non-refundable and non-transferrable. If notified of a withdrawal after July 1, a minimum of one month's tuition is also non-refundable and non-transferrable.

<b>Enrollment Date:</b>	<b>January - February 8, 2019</b>	<b>After February 8, 2019</b>
Re-enrolling Student	\$300.00	\$450.00
New Student	\$450.00	\$450.00

The obligation to pay tuition to SFCA for each academic year shall become binding on February 20th, unless SFCA is notified in writing via the opt-out form of the withdrawal on or before February 8th, 2019. Following February 20th, all families are obligated for the full annual tuition payment. Please submit a signed Continuous Enrollment Agreement no later than February 20th, 2019. This agreement extends until your student graduates from SFCA.

- If total tuition is paid in full through FACTS Tuition Management on or before July 1, there is a prepayment discount of 2%.
- The prepayment discount cannot be used in combination with any other discounts, financial aid or any other scholarship. A family can only use one type of discount. For example, if a person receives a pastor's discount, the multi-child discount would not apply. The only exception is that it is possible to get a prepayment discount with a multi-child discount.
